1 So, when you say that you were upset Ο. 2 because he cared about the baby and not you --3 No, I didn't say that. I said that he Α. 4 was --5 MS. BERRIEN: Can we read that back, is that possible? 6 THE COURT REPORTER: "Ouestion: 7 He 8 was very hostile. He said that I had to 9 return to the house because what was he going 10 to do alone in this house; his mother was 11 going on a trip on the 12th, it wasn't fair to 12 him to be all alone in the house and that if I 13 did not return with the baby he would do everything in his power to bring the baby 14 back. And that made me feel like I wasn't 15 16 even important to him, that I was just there to take care of the baby and to fulfill that 17 18 duty." 19 (By Ms. Berrien) So were you upset because Q. 20 you believed that you weren't important to him? 21 Α. I was upset over his whole attitude. I was

22 upset about the yelling and the pressure and the 23 accusations and him treating me as if I was 24 malicious, and I have never, ever been malicious to Page 78

1	Q. When you say see him, you could only hear	
2	him?	
<mark>3</mark>	A. Hear him, yes, I'm sorry.	
4	Q. So you don't know anything but the sound of	
5	his voice and the words he was saying?	
6	A. Yes.	
7	Q. Did he swear at you?	
8	A. No.	
9	Q. So when you say "threatened" you don't mean	
10	he threatened you physically?	
11	A. No, he threatened to take the baby away	
12	from me, and he didn't physically threaten me but he	
13	did threaten that or he did say that when I come	
14	back that he would see if I would be able to return,	
<mark>15</mark>	you know, return to the Dominican Republic. And it	
<mark>16</mark>	was very scary to me because that meant that he had	
<mark>17</mark>	total control of whatever it was that I wanted to do	
<mark>18</mark>	with my life or when I wanted to see my family.	
<mark>19</mark>	Q. So you were worried that you'd never be	
20	able to go back to the Dominican Republic if you came)	
21	back?	
22	A. Yes.	
23	Q. So you decided to stay there?	
24	A. He consented for me staying there until	

1 things calmed down. 2 Do you know what date this telephone call Ο. 3 occurred? There were several. The first one was on 4 Α. 5 the 25th, it was on Christmas, but there were others on the 31st and there were more before the 11th. 6 You mean December 31? 7 Ο. December 31, I'm sorry, yes, and more in 8 Α. 9 the beginning of January towards the middle of 10 January. 11 Which telephone --Ο. 12 Α. And then things calmed down in the middle of January and I thought that he had opened up and 13 understood, since we had spoken and I talked to him, 14 15 like, sincerely about how I was feeling and the things that we were investigating to help our 16 situation, I thought that he was being an 17 18 understanding partner about what I was trying to do 19 down there. 20 So you were no longer afraid of him at that Ο. 21 point? 22 I put it all behind me because I really Α. believed that -- I couldn't believe that he would do 23 24 anything to me like send me a lawsuit. I never

Page 81

		Page 82
1	thought that he would ever do that to me, ever.	
2	Q. Do you consider that abusive?	
<mark>3</mark>	A. Yes, very abusive. To me, it was like a	
4	control type of tactic and it was a big bully type of	
5	situation.	
6	Q. So you felt that, by filing papers for	
7	custody of his child, he was bullying you?	
8	A. Yes, he was. And he was totally destroying	
9	our relationship.	
10	Q. And I just have to go back because we got	
11	off track. On the sentence, "He threatened me about	
12	what he would do if I didn't return when I had	
13	originally planned," did he say anything to the	
14	extent of he would do anything other than fight for	
15	his rights for his child?	
16	A. He would prevent me from coming back.	
17	Q. And you were frightened of not being able	
18	to come back to the Dominican Republic?	
19	A. Yes.	
20	Q. So when you say "threatened," you don't	
21	mean physically, you mean	
22	A. Again, it was over the phone; I don't know	
<mark>23</mark>	what he would be capable of.	
24	Q. Did he use the word "threaten"?	

		Page 83
1	A. No. Threaten, no, because that's	
2	describing the situation.	
3	Q. Did he say he would hurt you?	
4	A. No, he didn't say he was going to hurt me.	
5	Q. Okay. Did he call you any names in those	
6	conversations that were inappropriate?	
7	A. (I don't recall.) (It's possible, I don't	
8	recall.	
9	Q. (Had he called you inappropriate names in	
10	your relationship before?	
11	A. No.	
12	Q. Was he polite to you?	
<mark>13</mark>	A. Yes.	
14	Q. Was he kind?	
<mark>15</mark>	A. Yes.	
<mark>16</mark>	Q. Was he loving?	
<mark>17</mark>	A. Yes.	
18	Q. Did you love him?	
<mark>19</mark>	A. Yes. Very much.	
20	Q. Do you think he loved you?	
21	A. Yes.	
22	Q. Do you think that you had a good	
<mark>23</mark>	relationship before you went to Dominican Republic?	
24	A. A good relationship with a lousy situation,	

	Page
1	yes. But probably the basic communication problems
2	that a lot of couples have.
3	MS. BERRIEN: Why don't we take a
4	two-minute break if we can.
5	(Recess taken from 11:14 to 11:24)
6	MS. BERRIEN: Back on the record.
7	Q. (By Ms. Berrien) So who are you living
8	with in the Dominican Republic?
9	A. In my parents' home.
10	Q. And do you live with both of your parents?
11	A. My mother, primarily, because my father
12	commutes, and my brother.
13	Q. How old is your brother?
14	A. He's three years older than me; he's 40.
15	Q. And nobody else lives in the house?
16	A. There's an employee that my mom has there.
17	Q. What type of employee?
18	A. There's one she has one employee that
19	cares after her animals. She has Collies, like large
20	dogs. And she also has there's also quarters and
21	a live-in maid who's there also.
22	Q. And does Kali have her own room?
23	A. She has her own room, but right now I'm
24	more comfortable in my mother's room. I prefer to be
